PROFESSIONAL SUMMARY

Proactive, results-oriented Computer Science professional with hands-on experience in public sector administration, central registry management, and network infrastructure support. Demonstrated track record of optimizing data handling, coordinating executive documentation, and ensuring regulatory compliance under high-pressure environments. Combines solid analytical rigor with strong collaborative interpersonal acumen to drive organizational objectives.

CORE COMPETENCIES & TECHNICAL SKILLS

IT & Systems Administration: Network troubleshooting, LAN setup, system configurations, preventative maintenance, peripheral installations.

Office Productivity & Documentation: Advanced digital typing, memo drafting, spreadsheet records, data validation, executive correspondence.

Records & Registry Operations: Open/Central registry indexing, file archiving, executive dispatch tracking, records confidentiality.

Professional Aptitudes: Process optimization, cross-functional collaboration, team leadership, workflow scheduling, deadline management.

PROFESSIONAL EXPERIENCE

Computer Operator & Registry Officer — **Office of the Secretary to the State Government**
Lafia, Nasarawa State | 2020 – 2021

- Administered the Open Registry operations, systematically indexing, classifying, and managing the movement of sensitive state documents and ministerial memos.
- Executed high-speed, accurate digital processing and formal transcription of executive correspondence, briefs, and official departmental reports.
- Enforced statutory information security and archiving protocols to safeguard administrative file integrity across physical and digital archives.
- Provided tier-1 technical support across departmental workstations, remediating basic software, printing, and operating network hitches.

Network Administrator — **Beti ICT Ltd.**
Katsina State | 2018 – 2019

- Configured local area network (LAN) infrastructure, switches, and routers, ensuring sustained connectivity and minimal network downtime.
- Conducted routine diagnostics, system upgrades, and hardware troubleshooting across multi-terminal computer labs and training hubs.
- Delivered hands-on end-user assistance, guided trainees on computing standards, and implemented data backup procedures.

EDUCATION & PROFESSIONAL CERTIFICATIONS

Bachelor of Science (B.Sc.) in Computer Science — **Graduated 2019**
Al-Qalam University, Katsina State, Nigeria
